Specific Insights

ACT Supported Strategic Solutions

Collaborating with ACT to increase college readiness of students is a direct investment in student success. By providing practice tests, test prep, and professional development from the makers of the test, the district is ensuring students have access to high-quality solutions that measure their current and potential academic skill levels.

Below are recommendations for ACT Solutions that can potentially increase college readiness of students.

-
-
-
-
-

ACT Solution	FY24 Price	Quantity	Estimated Cost
PreACT	\$17		
ACT Online Prep	\$25.95		
ACT School Day Testing	\$38.25		
ACT Instructional Mastery	\$698		

Strategic Plan Alignment
