## Specific Insights

### ACT Supported Strategic Solutions

Collaborating with ACT to increase college readiness of students is a direct investment in student success. By providing practice tests, test prep, and professional development from the makers of the test, the district is ensuring students have access to high-quality solutions that measure their current and potential academic skill levels.

Below are recommendations for ACT Solutions that can potentially increase college readiness of students.

- 
- 
- 
- 

ACT Solution	FY23 Price	Quantity	Estimated Cost
PreACT	\$17	100	\$1,600
ACT Online Prep	\$25.95	100	\$2,595
ACT School Day Testing	\$38.25	100	\$4,050
ACT Instructional Mastery	\$628		

## Strategic Plan Alignment
